

Intrepid Sea, Air & Space Museum

The Collections Manager at the Intrepid Sea, Air & Space Museum seeks an intern for a part-time (2 days a week, 200 hours total) paid internship from May-August. The intern, reporting to the Collections Manager, will assist in processing the Museum's archives into ArchivesSpace. If you are interested in archives work and naval history, this is a great opportunity to gain practical experience in a museum setting.
