RESEARCH CENTER

Summer 2016 Internship

The [Conjuring Arts Research Center](http://www.conjuringarts.org) is looking for an intern or volunteer for this summer. This person would be asked to participate in various tasks and duties pertaining to a special collections library including cataloging and preservation work. This is a great opportunity to gain experience in handling rare and delicate materials including books, periodicals, archive papers and photographs. This person would also have the opportunity to spend time with our Digitization Librarian who is responsible for scanning materials of various ages and types using ABBYY FineReader (OCR scan & read software), DSLR Remote Pro (camera control), and other applications as necessary, to be entered into Ask Alexander, our fully text-searchable database of magic. Candidates should be currently enrolled in or have recently completed an MLS program and would be expected to commit to at least 10 hours a week.

Interested parties should email a resume and cover letter to the Head Librarian, Jennifer Spota, at librarian@conjuringarts.org. Any questions regarding the position can be sent to the same.
