

Gagosian Gallery

The Gagosian Gallery library is looking for two current MLIS/MLS students to intern at its Madison Avenue location during the summer of 2016.

The potential candidates must be able to commit to three days a week; one of which can be a Saturday.

Interns will catalog books according to in-house standards, manage inventory of auction catalogs, maintain an orderly library, and assist with special projects as needed.

Candidates should be organized, analytical, reliable, and able to work independently. A background in modern and contemporary art is desirable, though not required.

The internship is paid and may be taken for school credit if necessary.

Please send resume and cover letter to Arielle Cohen at arielle@gagosian.com.
