Spring 2015 Palmer Manhattan

Palmer Manhattan: texts, classrooms, accessing Bobst
The start of the spring semester is right around the corner! Of course, we are looking forward to welcoming you either back to Bobst or here for the first time. It should be a great fall! Below are the details you’ll need if you are attending classes in Manhattan, so please read on. Required texts, class times, and classroom assignments can be found at the bottom of this page. Once again, we look forward to a great semester!

- **Entering Bobst:** When you enter Bobst Library the first time, go to the far LEFT to the privileges window to get your Bobst pass (good for the summer session or until you are issued an LIU ID) or, for continuing students, a sticker for your LIU ID. Allow some extra time at the privileges window in case there’s a line on the first days of the semester! New students should see Alice Flynn in the Bobst Palmer Office, room 707, to have an ID picture taken or email a headshot to her at alice.flynn@liu.edu. No hats or sunglasses, please! You’ll be notified when your ID is ready. You can use the orange Bobst pass until then.

- **ORIENTATION!**
  For those of you attending in Manhattan, we will hold an orientation on **Thursday, Sept. 4** from 5 – 6 p.m, just before the first meeting of LIS 510, Introduction to Library Science. We’ll meet in the Avery Room of the Avery Fisher Center, 2nd floor of Bobst Library. During orientation we will review requirements, take ID pictures, and answer questions. If for some reason you can’t make orientation on the 4th, please let me know. We can catch up in person. For continuing Manhattan students, the privileges window will have your name and they will give you a sticker for your ID, so you should be all set. Come a bit early since there might be a line at the privileges window.

- **Classrooms:** The East, West and Avery classrooms are located in the Avery Fisher Center, 2nd floor, between the elevator banks. The East Room is to the left; West is to the right; and Avery is straight back and to the far right. PC classrooms are in the computer center, one level below the lobby.

- **To do:** Be sure that you are subscribed to kiosk: [https://lists-1.liu.edu/mailman/listinfo/cwp-kiosk](https://lists-1.liu.edu/mailman/listinfo/cwp-kiosk) and that you have activated your MyLIU account at [https://my.liu.edu/psp/PAPRD/?cmd=login](https://my.liu.edu/psp/PAPRD/?cmd=login).

- **Check** your schedule on MyLIU! Make sure that you are actually in the classes you planned to be in and dropped from the ones you may have dropped!

- **You can access the LIU databases remotely by signing in with the same sign-in and password you use for your LIU email. Just go to:** [http://www2.liu.edu/cwis/cwp/library/libhome.htm](http://www2.liu.edu/cwis/cwp/library/libhome.htm) to explore this amazing resource.
- Stop by to say hello and check in as the semester goes along! We’re in room 707 here in Bobst and always like to hear from our students.
