PALMER MANHATTAN
FALL 2015

- **Classes begin on Tuesday, Sept. 8.** The class schedule and assigned classrooms can be found [here](#). Palmer Manhattan classes are held in the NYU Bobst Library.

- **Entering Bobst:** When you enter Bobst Library the first time, go to the far LEFT to the privileges window to get your Bobst pass, good for the fall semester or until you are issued an LIU ID. (See Orientation below) Continuing students will be given a sticker for your LIU ID. Allow some extra time at the privileges window in case there’s a line on the first days of the semester!

- **Classrooms:** The East, West and Avery classrooms are located in the Avery Fisher Center, 2nd floor, between the elevator banks. The East Room is to the left; West is to the right; and Avery is straight back and to the far right. PC classrooms are in the computer center, one level below the lobby. - **Orientation:** In Manhattan, we will have orientation on Thursday, Sept. 10, from 5 – 6:15 pm, just before the start of the Intro. to Library Science class, LIS 510, which begins at 6:30. Orientation will be held in the AVERY room. Go to the desk at the back of the Avery Fisher Center and then take a right down the little hall.

  At orientation we will take ID pictures, give you some pertinent handouts, answer questions, and go over some important details about the Palmer program. If you can’t make it on that Thursday, just contact me and we’ll set up an individual meeting time. If any of you prefer, you could send me a headshot to use for your ID picture. Just remember, no sunglasses or hats!

- **To do:** Be sure that you are subscribed to kiosk: [https://lists-1.liu.edu/mailman/listinfo/cwp-kiosk](https://lists-1.liu.edu/mailman/listinfo/cwp-kiosk) and that you have activated your MyLIU account at [my.liu.edu](http://my.liu.edu). Remember that you must use your MyLIU account when communicating with us and include your nine-digit ID number (starts with 100)!

- **Read** about the e-Portfolio requirement and look for notices about upcoming Adobe Connect sessions to answer questions.

- **Check your schedule** on My.LIU.edu! Make sure that you are actually in the classes you planned to be in and dropped from the ones you may have dropped!

- **You can access the LIU databases** remotely by signing in with the same sign-in and password you use for your LIU email. Just go to: [http://www2.liu.edu/cwis/cwp/library/libhome.htm](http://www2.liu.edu/cwis/cwp/library/libhome.htm) to explore this amazing resource.
